TWO MATES 1 CHAIR

***Fletcher Crowley & Lachie Bennett,
Ambassadors for the 2026
Sydney Disability Expo***

*Fletcher and Lachie will appear as
the event ambassadors at the Sydney
Disability Expo's opening ceremony
on Friday, August 7th.*

 @twomates1chair

The friendship between two Northern Beaches boys, Fletcher Crowley and Lachie Bennett, also known as Two Mates 1 Chair, has evolved into an inspiring global piggybacking adventure that has captured the hearts of millions.

In 2023, Fletcher suffered a life-changing spinal cord injury whilst mountain biking, leaving him paraplegic and permanently reliant on a wheelchair. He didn't waste time getting back into the swing of things, working hard for his Year 12 HSC and topping his multimedia class, as well as winning the 2025 Focus On Ability Short Film Festival.

Years later while doing physio at Sargood on Collaroy, a spinal rehab resort, Fletcher crossed paths with Lachie, a fellow Northern Beaches boy and former classmate.

Lachie, who is currently studying Product Design at UTS, took on a role at the resort after following his passion for helping people.

With a shared love for pushing boundaries and living life to the fullest, the two formed a bond that would eventually take them around the world. Together they formed Two Mates 1 Chair and have accumulated 241,300 social media followers to date.

Fletcher and Lachie have travelled to iconic destinations around the world, owning their definition of 'accessible' while highlighting the kindness of strangers and the power of community. It's an epic journey that has gained the attention of millions online.

"We want to show other young people that you can travel with disabilities and still have incredible experiences," Fletcher says.

"I'm excited to tell my story and hear their opinions, get their thoughts and connect with people face-to-face," Lachie adds.

For Fletcher and Lachie, the most important message they hope visitors take away is simple: don't be afraid to give things a go.

"I'd love people to walk away with the attitude of saying yes, giving things a crack and trusting the process," Lachie says.

"Sometimes people can stereotype you or assume you can't do something. If that happens enough, you start believing it yourself. But you know your own abilities better than anyone else," Fletcher adds.

Meet Two Mates 1 Chair at the stage, Friday 11am for more of their incredible story.
